## Verse

Your sta - tutes, they have been my song,  
And in dis - tress, I com - fort in  
The wick - ed ones, they break your law,  
This bless - ing has come down to earth,

go with me where I make my home,  
your pro - mise that gives life a - gain,  
my an - ger burns a - gainst them all,  
the sav - ior Christ, the Liv - ing Word,

And in the night I say your name,  
The ar - ro - gant de - ride me but,  
But pon - der - ing rules of old,  
now in your law, I free - ly stand,

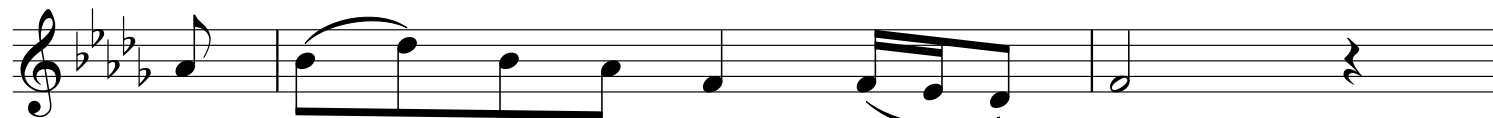

and keep your law, I keep your law.  
I won't turn a - way, won't turn a - way.  
I take com - fort, take com - fort.  
di - rect my path, Lord, speak a - gain!
