

Remember Your Word to Me

Verse

Your sta - tutes, they have been my song,
And in dis - tress, I com - fort in
The wick - ed ones, they break your law,
This bless - ing has come down to earth,

go with me where I make my home,
your pro - mise that gives life a - gain,
my an - ger burns a - gainst them all,
the sav - ior Christ, the Liv - ing Word,

And in the night I say your name,
The ar - ro - gant de - ride me but,
But pon - der - ing your rules of old,
now in your law, I free - ly stand,

and keep your law, I keep your law.
I won't turn a - way, won't turn a - way.
I take com - fort, take com - fort.
di - rect my path, Lord, speak a - gain!

Re - mem - ber your word to me;

I take com - fort in your word, dear Lord,

Re - mem - ber your word to me,

Re - mem - ber your word to me.
